

Hello everyone,

We had a meeting on February 12 and this is just what was discussed:

Convention

The convention is taking place at Carleton this year and is coming up fast. It will take place from February 20 to 22 and costs \$50 (this includes everything, even food, for all 3 days). The convention is a great way to network with many other CKI clubs from everywhere. Registration for this event is due very soon so if you are interested please contact Shiva ASAP.

BBQ/Bake sale

We will be having a BBQ and Bake Sale on March 25. We need all the help we can get including organizing, helping the day of, and bringing baked goods. We are also open to suggestion for the NGO we will be donating the proceeds to, Please email us if you are interested in helping out.

Donation Week

We are interested in organizing a gift or donation week. This will most likely take place at the beginning of March. We are still up for ideas of what we could collect (hygiene products, pen drive etc.) so if you have any ideas please let us know. It is still undecided if we will have a table in the UCU or a drop off room. We will also need to advertise in advance so people bring donations, so we will need people to help with that as well as shifts the week of, if you are interested please let us know.

Luncheons

Luncheons take place Fridays (around 12:15 and last about an hour) at Chateau Laurier. These are for paid members and we usually try to organize a group to go – we are organizing groups to go on February 20 and 27. The luncheons have very informative guest speakers and are a good way to get to know members from Carleton Kiwanis as well as those higher up in the organization. The luncheon headed up my Carleton as well as our club will be taking place on March 6.

Ongoing projects

Our ongoing projects include the piano program and reading program as well as volunteering at the Ottawa mission once a week. For more information please contact us.

Elections

Elections for next year's executive will take place in March; there will be more information to come.

We hope to hear from you, and have a great study break!

Thanks,

CKI Team
