Hello All,

Hope everyone has an awesome break!

1) February 22nd Luncheon

Everyone had fun and Mike Braganza, our Vice-Prez was the lucky recipient of some raffle prizes!!! Well done and congrats kid!

2) The 3rd Annual Kiwanis CKI District Convention 2008

The Convention was hosted by the Fredericton CKI Club comprised of both St. Thomas University and University of New Brunswick during Reading Week from Feb 21st -Feb 23rd. Five universities, 2 Carleton University alumni, a representative from Kitchener-Waterloo area whom also happens to be the Assistant Administrator for our District, and the Lieutenant-Governor of Key Clubs for the GTA and Ottawa area came to Freddy-town for the Eastern Canada District Convention totalling a little over 30 Circle K'ers! Over the 3 day event, we took part in several activities and workshops from Public Speaking 101, leadership training to tango and salsa lessons and an established convention tradition, musical chairs! Most importantly, we won an award for our contribution to the UNiCEF/CKI's: The 6 cent Initiative!! To fill those in the loop, last semester we raised ~\$600.00 between 2 different BBQ/Bake Sale fundraisers to raise money to purchase rehydration salts for children in developing countries. These salts cost just 6 cents!!! For those that helped out, give yourselves a BIG pat on the back!!!! WOO-HOO!!! Yes indeedy, it was darn good times a la Freddy style!!!
