What can I say? Interesting and entertaining as always! And the food, c'est bon!

9) **March 28<sup>th</sup> and 29<sup>th</sup> - The U of O's 4<sup>th</sup> Annual Relay for Life**

This is a SFUO event and every year we put together a team and join many others to collect pledges in the fight against finding a cure for cancer!! It's tons of fun and there is free food, great prizes and really cool bands/singers among the student masses!!! Please shoot the club account an email if interested! **Pledge sheets to be picked up at the SFUO office in the Unicentre (UCU)!!! (The office opens from 08:30 - 5:00 pm from Monday to Friday)**

Because this is an SFUO event, they require lots of volunteers. It's a 12 hr event but you don't necessarily have to stay for the entire duration. Any interested mbrs should send an email to the Philanthropic Coordinator, Laurice Abi-Rashed at [philanthropic@sfuo.ca](mailto:philanthropic@sfuo.ca)

10) **April 5th, 2008 - "Kiwanis One Day"**

This day has been designated as the day for all K-Family relations (from Key Clubbers, to Circle K'ers to Kiwanians) to give back to the community i.e. a day of service. If anyone has suggestions of what we can do, please, please email the club account at [info@circlekclub.com](mailto:info@circlekclub.com)!

11) **End of the Year Bash = Pub Night!**

This is a joint project with the Univ of Ottawa Golden Z Club which is another service club on campus. **Date: TBD.** Stay tuned for more deets!

12) **Co-Curricular Record**

Unique to Univ of Ottawa, it's an official "transcript" of your volunteer hours throughout the year signed by the Dean of the University himself. You must complete a minimum of 20 hrs for the year. For those interested, please sign up at the SASS website. Please see link below.

[http://www.sass.uottawa.ca/els/ccr/opportunities\\_on\\_campus.php](http://www.sass.uottawa.ca/els/ccr/opportunities_on_campus.php)

Upon registration, print off the Student Log Sheet and bring it to the next meeting or send me an email ([joan@circlekclub.com](mailto:joan@circlekclub.com)) so that we can arrange a time on campus to meet so that I can sign and initial where applicable. **AND YES**, volunteering at the Bake Sale table, any BBQ events, etc. also count towards your service hours and I've been keeping track...

Furthermore, this is **YOUR** responsibility. Should anyone have any problems or concerns please let me know.

**NOTE.** For those that chose to volunteer for Relay for Life, that is an SFUO event that is registered under SASS. Therefore, the co-ordinator for the event, Laurice Abi-Rashed will be signing off on your log sheet!

That's all she wrote folks!!! This is the Univ of Ottawa Kiwanis CKI Club saying, "Help control the pet population. Have your pets spade or neutred. "

Cheers,

~Joanie
