

Minutes from March 27th, 2006

Our Last meeting of the school year!

#1	Pub Night
#2	End of the Year Party
#3	Scholarship Application
#4	Mission
#5	Piano Program
#6	Luncheon
#7	Relay for Life
#8	Possible Summer Activities

#1) Pub Night: We will be holding our Pub Night for the University of Ottawa Heart Institute at Griffins on Elgin St. The fundraiser will be on April 4th at 9pm. We need to get a lot of guests coming to make it worth our while. If you want to help sell tickets, email Sarah and she will get some tickets to you ASAP. speevak@yahoo.com. You can also get tickets at the door if you want to just show up with a group of friends. There are also opportunities to help out at the pub because we are running the coat check so if you would like to help with that you can email Sarah also. It is a big help just to show up and buy tickets though so everyone come by!

We are also looking for a stamp we could use to stamp people's hand when they come in. If anyone has something appropriate and wouldn't mind lending it to us, please let us know.

#2)End of the Year Party: Is on April 1st at the Lone Star on Baseline. It costs 10\$ each and that includes your dinner. You have to RSVP by March 29th.

#3) The Scholarship application is due by April 6th. If anyone doesn't have one yet and wants one, please let Bettina know soon. You need to demonstrate financial need, good marks and participation in Circle K events.

#4) Mission: We need people at the Mission this Sunday from 10-2 and for every Sunday all summer. If anyone is interested in going, please email us ASAP. Thank you to everyone who has already gone and volunteered there.

#5) Piano Program: On April 1st there will be a thank you pancake breakfast for Piano Program volunteers at 10am in the NEW REZ lounge.

There will also be a Piano Program recital at Freedman Hall on May 9th all day long. If anyone can help out please let us know.

#6) The Luncheon last Friday went really well. All the Kiwanians were very impressed by the Piano Program kids and we raised 150\$ for our club.

#7) Relay for Life: It is on June 9-10 at 7pm to 9am. We have a team signed up. If you would like to join the team, you should be able to register at www.cancer.ca. Go to Ontario, then click on Relay for

life, click on Register on line, then I believe choose join a team. The team is registered under Julia Rosewarne. There is a 10\$ registration fee. Please do not register if you aren't sure if you can go. The 10\$ is non-refundable and we do need to have a certain number of people there so do not register unless you are sure you can go. If you are having trouble registering, email me at julia_rosewarne@yahoo.ca and I will register you once I get your 10\$ fee. There is a commitment to raise 100\$ a person so be ready to get pledges. You can also set up to collect pledges online. I hope you can all come! We do also need a theme for the relay that involves decorations and costumes. If anyone has any ideas, let me hear them. There are prizes involved!

#8) Possible Summer Activities:

- High School Key Club get together (around May)
- Car Wash

If anyone has any other ideas for activities that they would like to plan for this summer, please email us and let us know!
